WE'RE OVERSTOCKED! TAKE ADVANTAGE OF OUR CLEARANCE PRICES. CONTACT US FOR DETAILS!

Visit us at www.inclusivenergy.com

Rental and purchase options are both available.

Central Alberta: (780) 712-8881 | Calgary: (403) 444-6897 | sales@inclusivenergy.com

Inclusive Energy Ltd. is your one stop equipment shop. Availability of products offers clients the convenience of last minute orders and long term contracts. In most cases we can provide trucking to get the equipment to the requested site and back.

Please add us to your RFQ distribution for all of your oilfield equipment rental and purchase requirements.

The team at **Inclusive Energy** delivers, supplies, and markets the following:

- Storage tanks (400-1000 BBL frac lined, acid lined and double wall tanks)
- Manifolds
- Rig matting
- Fluid manifold
- Transfer pump manifold combination
- Portable containment systems
- Flowback tanks
- Pumpjack

Tanks

Separator Packages

1000 BBL Tanks

Inclusive Energy carries both brand new and used 1000 bbl production and frac tanks with both rental and purchase options. Our tanks are manufactured to exceed industry standards and are designed in accordance with API 12F and 650 design specifications, including dimensions and internal and external pressures. All of our tanks are externally insulated. 100% internally coated models are also available.

Dimensions: 15'3" D X 32' H

Design Code: Modified API 12F design

Operating Pressure: Atmosphere

Service: Oil, water, gas (both sour and sweet)

Corrosion Allowance: None

Testing: Air tested as per API 12F code

Insulation: 38mm (1 1/2") urethane foam, sealed with 15mils DFT black elastomeric sealer

- Externally insulated
- Water, sweet gas and oil service
- c/w split ladder
- Standard and custom designs available

We carry both insulated and non-insulated tanks.

Storage tanks are built for the option to be insulated or EnviroVaulted upon customer request.

Rig Matting

Our inventory includes standard sizes of 8' X 20' and 8' X 40' rig mats. 4' X 20' and 4' X 40' walkways and Interlocking 8' X 16' mats are available upon request.

Inclusive Energy RIG MATS are constructed for long term usage, safety and reliability. Our Rig Mats are built with quality using brand new materials with above industry standards, making them more reliable than any of our major Rig Mat competitors in Alberta.

Brand new 40ft Standard Rig Mats are now in stock at all our Alberta locations, including Red Deer, Buck Lake Alberta Edmonton, Lloydminster and Medicine Hat. They are ready for immediate pickup from our several Alberta equipment yards or for delivery. Our team offers transportation services for those who would like the whole package for convenience.

- 4 Beam - Heavy Duty Rig Mat / Matting Board
- 4 Beam - Heavy Duty Rig Mat / Matting Board
- 3 Beam - Standard Rig Mat / Matting Board
- 2 Beam - Camp or Walkway Mat
- Steel wide flange construction
- Lifting shackles and reinforced side lifting pockets
- Customizable options - mouse hole, rate hole, fork deflectors, well center mats, etc.
- No transport or loading concerns
